MEMORANDUM FOR Commander, North Pacific Division, ATTN:
CENPD-EN-TE, P.O. Box 2870, Portland, OR
97208-2870

SUBJECT: Defense Environmental Restoration Program-Formerly
Used Defense Sites (DERP-FUDS) Inventory Project Report (INPR)
for Site No. F10AK033000, Eagle River Training Camp Site,
Anchorage, Alaska

1. This memorandum and enclosures comprise the INPR reporting on the DERP-FUDS preliminary assessment of the Eagle River Training Camp site. Enclosure 1 is the site survey summary sheet.
2. We determined the site was formerly used by the Department of Defense (DOD), but have found there are no hazardous or toxic waste, ordnance, or unsafe debris on the site as a result of DOD use. Enclosure 2 is a Findings and Determination of Eligibility.
3. I recommend you:
 - a. Approve and sign the Findings and Determination of Eligibility.
 - b. Forward a copy of this INPR to CEMP-RF and CEHND-ED-PM.
4. Please contact me directly if I can be of further assistance. Detailed information desired by your staff can be obtained by contacting Ms. Gail Braten of my Environmental Engineering Branch at (907) 753-5652.

SITE SURVEY SUMMARY SHEET
FOR
DERP-FUDS SITE NO. F10AK033000
Eagle River Training Camp Site
Anchorage, Alaska

SITE NAME: Eagle River Training Camp.

LOCATION: Eagle River, Alaska.

SITE HISTORY: The Eagle River Training Camp was transferred from the Department of the Interior to the Department of the Air Force through a Special Land Use Permit dated 18 September 1953. The 10 acre site was used for sub-arctic trail and camp conditioning on terrain not available on Elmendorf Air Force Base. Improvements to the site were not contemplated. On 31 August 1955, the site was retransferred to the Department of the Interior. It is currently owned by Mr Frank J. Heller.

SITE VISIT: The property owners do not recall military use of the site. The owners stated that they have hiked extensively through the area and never encountered debris of any kind. No site visit was conducted by the Army Corps of Engineers.

CATEGORY OF HAZARD: No hazardous or toxic waste, unsafe debris, or ordnance exists at this site.

PROJECT DESCRIPTION: There are no eligible projects at this site.

AVAILABLE STUDIES: URS Corporation, Inventory Report, Eagle River Training Camp Site, Alaska, November 1986.

PA POC: Gail Braten, (907) 753-5652, is the District POC.

**DEFENSE ENVIRONMENTAL RESTORATION PROGRAM
FORMERLY USED DEFENSE SITES
FINDINGS AND DETERMINATION OF ELIGIBILITY**

**Eagle River Training Camp Site
Eagle River, Alaska**

Site No. F10AK033000

FINDINGS OF FACT

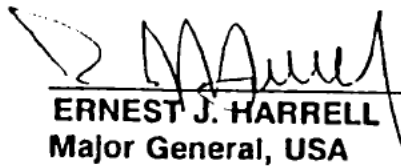

1. Eagle River Training Camp Site, containing 10 acres, was acquired for the Department of the Air Force from the Department of the Interior, Bureau of Land Management (BLM), by Special Land Use Permit dated 18 September 1953, as amended.
2. The site was used by the U.S. Air Force from 1953 to 1955 for arctic indoctrination training. No improvements were constructed on the site by the Air Force.
3. The Eagle River Training Camp Site was retransferred to BLM by termination of the Special Land Use Permit on 31 August 1955. The former site was conveyed into private ownership by BLM in 1966. It is currently owned by (b) (6)

DETERMINATION

Based on the foregoing Findings of Fact, the site has been determined to be formerly used by DOD. It is therefore eligible for the Defense Environmental Restoration Program - Formerly Used Defense Sites, established under 10 USC 2701 et seq.
